Our prices for garments, superbly cut,

very reasonable that men everywhere are attracted

by them. They are the wonders of the tailoring

trade. Nobody ever before thought it possible

to make garments to order at our prices, and

at the same time give good material, good fit,

good workmanship, good lining and good style.

It is enough that we can do the work and do it

properly. Let critics carp all they choose, the

fact remains that we are doing business at a profit

and doing it honestly. It pinches hard when

the high-priced fellows see the earth slipping

from under their feet.

\$30.00

Is our price for a Cutaway Coat and Vest

and fancy pair of trousers—making a suit that is

stylish and durable enough to satisfy the

most exacting dresser.

\$25.00

Is our price for an elegant Business Suit, the

like of which you cannot duplicate anywhere in

New York for less than \$40. Comparison of

\$6.50

Is our price for as perfect a fitting pair of

trousers as you ever wore. We don't believe

that it is possible for any tailor in the country

to make trousers as well as we can.

Now, gentlemen, here's a business proposition: It won't cost you anything but a little of your time to come to our store and make an inspection of the stock. It will only take a little while longer to get measured for a suit. If we cannot please you, no tailor can. Are you willing to try us?
